Help keep Sugar River sweet and clean

Anyone who wants to pitch in can volunteer this Saturday

Love the Sugar River? Want to see it clean of refuse and not full of trash? Like it free from dangerous treefalls and safe for kids to navigate?

If the answer to these questions is yes, then why not come out and join other volunteers on Saturday, May 20, from 9 a.m. to 4 p.m. at the annual Sugar River cleanup.

The Lake Winnetka Sugar River Improvement Association Inc. will hold its annual Sugar River cleanup in Albany. Those interested in helping will meet at the Albany American Legion Hall at 300 N. Water St. across from the Boat Ramp near the Police/Fire station.

Canoes will be available to use, and all a volunteer has to do is pick up trash or clear branches. Shuttle service will be provided for those that want to help, but don't want to go on the water.

The goal is to remove as much garbage as possible from the river and its banks. The association also wants to clear a path through fallen trees that totally block navigation of canoes and create hazards.

The type of work varies from walking the banks or riding in canoes and picking up trash to cutting tree branches

If you go...

WHAT: Annual Sugar River cleanup
WHERE: Albany American Legion Hall, 300 N. Water Street
WHEN: Saturday, May 20, starts at 9 a.m. and ends at 4 p.m.
DETAILS: The group will get organized at 9 a.m. and begin cleaning up at 10 a.m. or sooner; those that come later to the American Legion Hall will meet a representative that can direct them where they need to go. Canoes will be provided for volunteers willing to pick up trash or clear branches. Shuttle service will also be provided.

and handing them to people on shore. Equipment needed is more canoes or small boats, chain saws, bow saws and waders. The association will provide trash bags and local businesses will provide food and refreshments.

The group will get organized at 9 a.m. and begin cleaning up at 10 a.m. or sooner; however, a representative will be on premise at the Albany American Legion to direct those who want to come later. Our clean-up is registered with the American Rivers National River Cleanup. Scout groups can earn community service points by helping out.

Please volunteer help or

equipment. Those interested can contact the group for more information by e-mail at lwsria@aol.com or find the Lake Winnetka Sugar River Improvement Association on Facebook and "like" the group or call 773-418-7123. Leave a message including name and phone number and the call will be returned.

Be sure to come on out and help clean up while enjoying the great outdoors after a long dull winter. Food and refreshments will be served to all volunteers as a token of appreciation. Lake Winnetka Sugar River Improvement Association will be pleased to see locals there helping out.

Body of WWII soldier killed at Pearl Harbor to be returned home

Burial of lost local seaman to be on May 27 in Juda

After over 81 years, a young man who once called Juda and Monroe home will finally be returning, memorialized at what will be a special and historic event.

The public is invited to honor and remember Green County's first casualty of WWII, Seaman Second Class David Joseph Riley, at a memorial program scheduled for 11 a.m. on Saturday, May 27, at the Juda High School gymnasium.

Immediately following the short program, S2C Riley's remains will be interred with full military honors at Mt. Vernon Cemetery just outside Juda.

Riley was the foster son and only child of the late Elmer and Della (Matzke) Asmus of Juda, and enlisted in the Navy in May 1940.

At 25 years of age, S2C Riley lost his life on Dec. 7, 1941 aboard the USS Oklahoma during a surprise Japanese military attack on Hawaii's Pearl Harbor.

In the days, months, and years following the attack, remains of men lost aboard the ship were recovered, but few were identified. Starting in 2015, the Defense POW/MIA Accounting Agency (DPAA) used forensic technology, including DNA, to identify those who were previously unaccounted for, including

Riley, whose remains were identified Feb. 24, 2021.

The memorial program at the school will feature music by the Juda Zion Church Adult Choir, directed by Shelly Jordan; the Monroe Brass Quintet; and bagpiper, Daniel Schmerse of Milwaukee, who is also a foster cousin of Riley.

Remarks honoring Riley's life will be made by Ernest Gebhardt, Jr., historian and spokesperson for Monroe's

Zilmer-Riley American Legion Post #84; Wisconsin Senator Tammy Baldwin, whose office provided support during the arduous process of getting Riley's remains returned to Juda; and Deborah Krauss Smith, Riley's foster cousin and the Navy-designated Person Authorized to Direct Disposition (PADD).

Sherry Anderegg of the Green County Historical

David Polk, Wisconsin's Bureau of Apprenticeship Standards Director (back row, fifth from the left), stands with 18 of the 21 students recognized Thursday at the Stateline Manufacturing Alliance's 2nd Annual Manufacturing Signing Day. Front row, from left: Matthew Miller, Sam Haak, Elliott Poole, Blake Greenwell, David Polk, Jared Batz, Brandon Kempa, Noah McLaughlin, George Alsteen and Justin Nimtz. Back row: David Utterberg, Giovanni Aceves, Kameron Martin, Tryton Northrup, Aiden Cain, Christian Fera, Nicolas Villarello, Adam Knox and Chris Ramirez.

Rock County police head to the rooftop to help Special Olympics

The Rock County Sheriff's Office will participate in "Cop On A Rooftop" for Special Olympics Wisconsin on Friday, May 19, from 5 to 11 a.m., at the Janesville Dunkin' stores located at 2121 Milton Avenue and 1905 Center Avenue.

This annual statewide event raises funds for Special Olympics Wisconsin, which provides athletic opportunities for more than 10,000 youth and adults with intellectual disabilities.

Sixty-six Dunkin' locations across Wisconsin will host "Cop On A Rooftop" events. Sheriff's Office staff representing the Law Enforcement Torch Run for Special Olympics Wisconsin will collect donations at the entrance and drive-thru of each Janesville Dunkin'.

Everyone who donates will receive a free donut coupon. The Rock County sheriff's office invites community members to join them during this event and support Special Olympics Wisconsin.

A group of 21 students confirmed their pathway Thursday in the manufacturing sector through employment and training opportunities with 10 employers at the Stateline Manufacturing Alliance's 2nd Annual Manufacturing Signing Day.

The event, which was sponsored by JP Cullen, Corporate Contractors, Inc. and Blackhawk Technical College, celebrated the students who were selected for employment opportunities, including apprenticeships, internships and full-time employment.

Many of the individuals recognized came through the Youth Apprenticeship model, which allows high school students to explore their chosen career path while helping employers develop their workforce.

David Polk, Wisconsin's Bureau of Apprenticeship Standards Director, addressed the students, their families, employers and K-12 partners at the event, applauding them for their commitment to manufacturing and the "earn and learn" model. Polk also is a licensed plumber who started his apprenticeship right after high school.

"I know it's cliché to tell you that this is the first day of the rest of your life, but it absolutely is," Polk said. "You are going to have skills and the opportunities to keep growing your career."

The students honored and their employers are:

- Baker Manufacturing: Sam Haak, Matthew Miller and Justin Nimtz;
- Edgerton Gear: Chris Ramirez;
- Frito Lay: Manny Aviles-Vargas, Mason Lopez and Ian Skilling (all graduating from Beloit Memorial High School);
- Jakes Electric: Giovanni Aceves;
- Jones Dairy Farm: George Alsteen and Adam Knox;

Obituaries

WALTER ANDERSON

Walter John Anderson, age 92, passed away peacefully on May 6, 2023 at his home.

Walter was born on January 9, 1931, in Rock County, the son of Ben and Elva Anderson.

Walter married Lorraine Foslin on February 6, 1953. They lived in the Brodhead area all of their lives.

Walter was a member of the Bethlehem Lutheran Church and the VFW Post 6858 of Brodhead. He enjoyed fishing and hunting and participating in the Veteran Roll since 2011. Walter retired after many years from GM and later worked in his retirement at the Wisconsin Riverside Resort.

Walter is survived by his wife, Lorraine; his three children, Cathy (Gary) Selck of Footville, Vicky (Mike) Murphy of Janesville and Randy Anderson of Orfordville; 3 grandsons, Greg, Jason and Derek Selck; a granddaughter, Angie (Richard) Baker; 3 great grandsons, Ty, Trace and Eli

Baker and two sisters, Carol (Clifford) Goeke of Davis and Donna Scheidegger of Brodhead.

Walter was preceded in death by his parents, a son, Terry; a brother, Jerry Anderson and a sister, Shirley Scheidegger.

In lieu of flowers, memorials can be directed to family in Walter's memory.

Memorial services will be held at the Bethlehem Lutheran Church in Brodhead on Friday, May 19, at noon. A visitation will also be held at the church on Friday from 10 a.m. to noon. Burial of his cremated remains will be held at the Greenwood Cemetery with military honors being held.

The DL Newcomer Funeral Home in Brodhead is assisting the family, www.dlnewcomerfuneralhome.com.

DAVID JAMES YOUNG

David James Young, Sr., 78, of Belvidere, passed away in his home on May 5, 2023, surrounded by his family.

He was born June 14, 1944, in Whitewater, WI, the son of Fred and Mariam (Keller) Young. He graduated from Orfordville High School in 1963. David served in the US Army from 1965 to 1968 and is a Vietnam veteran. He worked for Chrysler for 30 years. David was an avid Packer fan. He liked to go hunting, fishing, and watch the birds and squirrels in his yard.

David is survived by his loving wife Bonnie; sons David Jr. (Lisa) of Rockford, Travis of Belvidere, Colton of Belvidere, and Skyler (Nicole) of Chicago; daughter Maxine (Vincent) Courson of Belvidere; grandchildren Desi (Robert), Samantha, Trevor (Meghan), James, Cora, Tayler, and Vincent, II (Jess) and Preston; great-grand-

children Kaden, Johnathan, Nova, and Christopher; brother Robert of Monroe, WI; sister Helen of Monroe; sisters-in-law Susan of Beloit and Via of Brodhead; several nieces, nephews, aunts, uncles, and cousins. He is predeceased by his parents Fred and Mariam; and brothers Fred (Bonnie), Carl, John, and Glen; and brother-in-law Jerry Hoppy.

To all friends and family that cared for and loved David, you are remembered in our hearts if not by name.

A celebration of life will be announced later this summer. Stateline Cremations is assisting the family, 6204 Forest Hills Rd., Loves Park, IL 61111, www.statelinecremations.com.

Tour, open house at Orfordville wastewater treatment plant

The Orfordville Public Works Department invites the public to a tour and open house of the upgraded wastewater treatment plant on May 20 from 10 a.m. to noon at 702 W. Brodhead St. in Orfordville. Equipment will be on display, and tours and information stations will be available.

State senator visited Footville, Orfordville for some tasty pancakes

On April 30, State Senator Mark Spreitzer (left) headed to the Footville Fire Department's Pancake Breakfast. He shared pancakes, sausage links, and great conversation with the first responders taking care of the communities. Then he headed to Orfordville for a discussion on fire/EMS issues and shared service possibilities in the Orfordville, Footville, and Brodhead areas. The meeting was well attended with fire and EMS officials, local elected officials, and community members. There was a lot of good discussion about challenges and potential solutions to provide reliable EMS service to everyone in the area.

On May 6, State Senator Mark Spreitzer, left, and Rep. Clinton Anderson, right, attended the Orfordville Fire Department's Pancake Breakfast for some great conversation, a good cause, and delicious pancakes.

KANDU Industries appoints Jake Reed as director

KANDU Industries Inc., a Janesville, Wis.-based non-profit that provides programs and services to people with disabilities and disadvantages, announced today that 20-year KANDU veteran Jake Reed has been promoted to operations director.

Reed, who began his career at KANDU in 2003, has served as the organization's production director for the last three years, with responsibility for ensuring a safe workplace environment for people with disabilities and disadvantages, sales, customer relationship management and revenue generation to support KANDU's programs and services.

Jake Reed

In his new role, Reed will develop strategies for agency-wide cost-savings, efficiency, and revenue generation; safety policies and procedures; building and grounds maintenance; compliance; and IT system management.

"Jake's many years of experience at KANDU, talent for developing creative systems and procedures, extraordinary work ethic, intelligence and passion for our mission make him the perfect candidate to develop and lead KANDU's operations strategy," said Executive Director Kathy Hansen. "When KANDU is faced with a unique challenge, we can depend on Jake to see it through time and again. He is highly regarded by our board, clients and staff and I'm confident that he will continue to bring positive change at KANDU in his new role."

Reed resides in Edgerton, Wis. with his wife and two children.

About KANDU

KANDU Industries is a 501(c)(3) organization serving Rock County that provides opportunities to people with disabilities and disadvantages.

For more than 60 years, these work, social, and daily activities enable KANDU clients to achieve their maximum potential and enjoy the dignity of being productive citizens.

Today, KANDU impacts the lives of over 200 clients along with a staff of over 100, and partners with a number of community and governmental agencies to ensure that individual choice and personal development are nurtured in the work environment as well as in other aspects of life.

Twenty-six graduating nursing students from Blackhawk Technical College in Janesville were celebrated on May 11 in a special pinning ceremony for their completion of the Associate Degree of Nursing.

“I ask that you never lose your compassion and never have your integrity become weak. Continue to protect, serve and advocate for your patients and for what is right. Nursing is arduous but also rewarding,” Miranda Coleman, graduate and student speaker, told her fellow graduates.

The pinning ceremony is a rite of passage for nursing graduates. The tradition began in the 1860s when Queen Victoria awarded Florence Nightingale the Red Cross of St. George to recognize her service as a nurse during the Crimean War. Nightingale, who is credited as the founder of modern nursing, wanted to share this recognition. She later presented medals to her nursing students.

At Blackhawk, each nursing student designates a person in their life to “pin” them. That person – often a family member or friend – presents the graduate with a pin.

Led by nursing graduate Kara Briggs, the graduates also recited the Nightingale Pledge, which is often cited at pinning ceremonies for nurses and is like the Hippocratic Oath that is recited by new physicians.

Emily Parker and Emily Stoll received special recognition at the event for a “CPR save.” The two students were part of saving a patient’s life during one of their clinicals.

Sadie Minor received the Students’ Choice Award. The students voted for one classmate who’d they like caring for them or their loved ones.

Many of the graduates have already been hired by area health care providers. Jobs range from hospice care and home health to hospital and clinic positions.

Congratulations to the Spring 2023 Nursing Graduates: Baleigh Anderson, Kristy Antonelli, Selenna Bautista-Solis, Juanita Bonilla, Kara Briggs, Miranda Coleman, Bertha Cruz Herrera, Krista Ann Cummings, Emily Denio, Casey Dennis Twardzik, Amanda Deremo-Behrend, Cora Hjelmberg, Crystal Hobbs, Brittany Huffman, Jessica Krause, Becca Leonhardt, Alexandra

Twenty-six graduating Nursing students were celebrated on Thursday in a special pinning ceremony for their completion of the Associate Degree of Nursing. List of Spring 2023 Nursing Graduates: Baleigh Anderson, Kristy Antonelli, Selenna Bautista-Solis, Juanita Bonilla, Kara Briggs, Miranda Coleman, Bertha Cruz Herrera, Krista Ann Cummings, Emily Denio, Casey Dennis Twardzik, Amanda Deremo-Behrend, Cora Hjelmberg, Crystal Hobbs, Brittany Huffman, Jessica Krause, Becca Leonhardt, Alexandra Lindquist, Sadie Minor, Emily Parker, Sabrina Richardt, Samuel Rohloff, Emily Stoll, Raegan Trunkhill, Brian Warson, Nicole Webnar, Hailey Wedge.

Apfelkrapfen: Bavarian apple fritters with cinnamon and powdered sugar.

The Brews and Bites Beer Picnic featuring the New Glarus Brewing Company will be on June 23 from 4:30 to 7:30 p.m.

Sure to be a memorable evening for craft beer aficionados and fans of New Glarus Brewing, this event is the first opportunity ever for guests to experience a themed beer

dinner in Old World Wisconsin’s historic Crossroads Village. The meal will be served picnic style allowing guests to enjoy courses at their leisure, and the event will also feature timed pours of a variety of different beers including limited-release offerings and a beer brewed onsite using historic methods.

The cost to attend is \$99 per person and guests must be over 21.

BRODHEAD SCHOOL DISTRICT - NOTICE OF VACANCY
Full-time School Year High School Special Education Para-Educator

The Brodhead School District is looking for a full-time school year, highly qualified, enthusiastic Special Education Para-Educator at our high school for the 2023-24 school year. Candidate must be able to meet diverse needs of students with disabilities. The ability to lift 50 pounds is required. The successful candidate will demonstrate excellent communication skills and ability to establish positive relationships with students, staff and parents. Hours are 7:45 a.m. to 3:15 p.m., Monday through Friday. Days of employment are consistent with the school calendar. Rate of pay is \$15.23/hour.

Job description available upon request and application forms are available on the district website at www.brodhead.k12.wi.us.

Send letter of interest, resume, and application to: Mr. James Matthys, Principal, Brodhead High School, 2501 W. 5th Ave., Brodhead, WI 53520, or jmatthys@brodhead.k12.wi.us.

Deadline for Applications: May 26.

The School District of Brodhead does not discriminate on the basis of race, color, national origin, sex, creed, religion, age, sexual orientation, gender identity or expression, ancestry, pregnancy, marital or parental status, physical condition or disability or any other category protected by law in its programs or activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Superintendent of Schools, 2501 W. 5th Ave., Brodhead, WI 53520, 608-897-2141.

Notice of the Board of Review
For the Town of Spring Grove

NOTICE IS HEREBY GIVEN
that the Board of Review for the
Town of Spring Grove of Green
County shall hold its first meet-
ing on Thursday June 1, 2023,
from 2:00 p.m. to 4:00 p.m. at
the Spring Grove Town Hall,
N2475 Hwy GG, Brodhead, WI.

Please be advised of the fol-
lowing requirements to appear
before the Board of Review and
procedural requirements if ap-
pearing before the Board:
No person shall be allowed
to appear before the Board of
Review, to testify to the Board
by telephone or to contest the
amount of any assessment of
real or personal property if the
person has refused a reason-
able written request by certified
mail of the Assessor to view
such property.
After the first meeting of the
Board of Review and before the
Board's final adjournment, no
person who is scheduled to ap-
pear before the Board of Review
may contact or provide informa-
tion to a member of the Board
about the person's objection ex-
cept at a session of the Board.
No person may appear before
the Board of Review, testify to

the Board by telephone or con-
test the amount of the assess-
ment unless, at least 48 hours
before the first meeting of the
Board or at least 48 hours be-
fore the objection is heard if the
objection is allowed because
the person has been granted a
waiver of the 48-hour notice
of an intent to file a written ob-
jection by appearing before the
Board during the first two hours
of the meeting showing good
cause for failure to meet the
48-hour notice requirement and
files a written objection, that the
person provides to the clerk of
the Board of Review notice as to
whether the person will ask for
removal of any Board members
and, if so, which member will be
removed and the person's rea-
sonable estimate of the length
of time that the hearing will take.
When appearing before the
Board of Review, the person
shall specify, in writing, the
person's estimate of the value
of the land and of the improve-
ments that are the subject of the
person's objection and specify
the information that the person
used to arrive at that estimate.
No person may appear before
the Board of Review, testify to
the Board or by telephone or
object to a valuation; if that valu-
ation was made by the Assessor

or the Objector using the income
method of valuation; unless the
person supplies the Assessor
all the information about income
and expenses, as specified in
the Assessor's manual under
Sec. 73.03 (2a) of Wis. Statutes,
that the Assessor requests. The
Town of Spring Grove has an
ordinance for the confidentiality
of information about income and
expenses that is provided to the
Assessor under this paragraph
which provides exceptions for
persons using information in the
discharge of duties imposed by
law or the duties of their office or
by order of a court. The informa-
tion that is provided under this
paragraph, unless a court deter-
mined that it is inaccurate, is not
subject to the right of inspection
and copying under Sec. 19.35
(1) of Wis. Statutes.
The Board shall hear upon
oath, by telephone, all ill or dis-
abled persons who present to
the Board a letter from a physi-
cian, surgeon or osteopath that
confirms their illness or disabili-
ty. No other persons may testify
by telephone.

Respectfully submitted,
Town of Spring Grove
Deb Cline, Clerk

*If you want to appear before

the Board of Review, you must
give the Town Clerk "NOTICE
OF INTENT" to file an appeal
no later than 5:00 p.m., May 29,
2023. Also, you must present
the completed objection form to
the Town Clerk on or before 2:00
p.m., May 29, 2023. The clerk
will schedule an appointment
time for you.

2022 Consumer Confidence Report Data - BROADHEAD WATERWORKS, PWS ID: 12300728

Water System Information

If you would like to know more about the information contained in this report, please contact Christopher Clark at (608) 897-2505.

Opportunity for input on decisions affecting your water quality

The 3rd Tuesday of the month at 3:15 p.m. at the Water and Light Office.

Health Information

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune systems disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbial contaminants are available from the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Source(s) of Water

Source ID	Source	Depth (in feet)	Status
1	Groundwater	995	Active
2	Groundwater	442	Active

To obtain a summary of the source water assessment please contact, Christopher Clark at (608) 897-2505.

Educational Information

The sources of drinking water, both tap water and bottled water, include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally- occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff and septic systems.
- Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water, which shall provide the same protection for public health.

Definitions

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
HA and HAL	HA: Health Advisory: An estimate of acceptable drinking water levels for a chemical substance based on health effects information. HAL: Health Advisory Level is a concentration of a contaminant which, if exceeded, poses a health risk and may require a system to post a public notice. Health Advisories are determined by US EPA.
HI	HI: Hazard Index: A Hazard Index is used to assess the potential health impacts associated within mixtures of contaminants. Hazard Index guidance for a class of contaminants or mixture of contaminants may be determined by the US EPA or Wisconsin Department of Health Services. If a Health Index is exceeded a system may be required to post a public notice.
Level 1 Assessment	A Level 1 assessment is a study of the water system to identify potential problems and determine, if possible, why total coliform bacteria have been found in our water system.
Level 2 Assessment	A Level 2 assessment is a very detailed study of the water system to identify potential problems and determine, if possible, why an E. coli MCL violation has occurred or why total coliform bacteria have been found in our water system, or both, on multiple occasions.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
MRDL	Maximum residual disinfectant level: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
MRDLG	Maximum residual disinfectant level goal: The level of a drinking water disinfectant below which there is no known or expected risk to

Detected Contaminants

Your water was tested for many contaminants last year. We are allowed to monitor for some contaminants less frequently than once a year. The following tables list only those contaminants which were detected in your water. If a contaminant was detected last year, it will appear in the following tables without a sample date. If the contaminant was not monitored last year, but was detected within the last 5 years, it will appear in the tables below along with the sample date.

Disinfection Byproducts

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2022)	Violation	Typical Source of Contaminant
HAA5 (ppb)	D-15	60	60	0	0		No	By-product of drinking water chlorination
TTHM (ppb)	D-15	80	0	10.8	10.8		No	By-product of drinking water chlorination

Inorganic Contaminants

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2022)	Violation	Typical Source of Contaminant
BARIUM (ppm)		2	2	0.024	0.022-0.024	3/2/2020	No	Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits
FLUORIDE (ppm)		4	4	0.1	0.1-0.1	3/2/2020	No	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories
SODIUM (ppm)		n/a	n/a	2.01	1.97-2.01	3/2/2020	No	n/a

Contaminant (units)	Action Level	MCLG	90th Percentile Level Found	# of Results	Sample Date (if prior to 2022)	Violation	Typical Source of Contaminant
COPPER (ppm)	AL=1.3	1.3	0.9400	0 of 10 results were above the action level.	8/5/2020	No	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD (ppb)	AL=15	0	0.97	0 of 10 results were above the action level.	8/5/2020	No	Corrosion of household plumbing systems; Erosion of natural deposits

Radioactive Contaminants

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2022)	Violation	Typical Source of Contaminant
GROSS BETA PARTICLE ACTIVITY (pCi/l)		n/a	n/a	3.7	2.8-3.7	4/13/2020	No	Decay of natural and man-made deposits. MCL units are in millirem/year. Calculation for compliance with MCL is not possible unless level found is greater than 50 pCi/l.
GROSS ALPHA, EXCL. R & U (pCi/l)		15	0	8.3	6.2-8.3	4/13/2020	No	Erosion of natural deposits
RADIUM, (226 + 228) (pCi/l)		5	0	3.3	2.6-3.3	4/13/2020	No	Erosion of natural deposits
GROSS ALPHA, INCL. R & U (n/a)		n/a	n/a	8.3	6.2-8.3	4/13/2020	No	Erosion of natural deposits
